

Zafirir Sofer

Palgey Maim CEO

Zafirir is a Technion graduate with degrees in Agricultural Engineering. He has over 30 years of experience in many fields including planning, management, development, supervision and more in segments related to water and wastewater infrastructures.

Zafirir joined Palgey Maim in 1983 as an engineer, later continuing as chief engineer, and became CEO in 2004. As CEO, Zafirir has initiated many projects that have led directly to Palgey Maim becoming an industry leader in all of its disciplines. He has successfully planned, supervised and constructed dozens of projects around the world – reclaimed water plants, irrigation systems, wastewater treatment, central water and drainage systems, reservoirs, aquaculture pools and more.
